

Monthly Donation Form

Why a monthly donation?

A regular donation can provide the OCC with a sustainable income allowing us to plan ahead with confidence. Each Treatment costs the OCC £50 and parents are asked to contribute whatever they can afford to this cost. This means that no child is ever refused treatment for want of the means to pay.

I would like to make a regular donation of £5 , £10 , £15 , £20 , £50 , other £.....a month and have completed the direct debit form below.
I understand I can cancel this Direct Debit at any time.
